The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for Isabella Fresh Water Treatment Plant in fiscal year 2024. The entity to receive funding for this project is Saginaw Chippewa Indian Tribe of Michigan, located at 7500 Soaring Eagle Boulevard, Mount Pleasant, Michigan 48858. The funding would be used for replacement infrastructure that is needed due to the poor condition of the Isabella Fresh Water Treatment Plant. The project is an appropriate use of taxpayer funds because a solid fresh water infrastructure is imperative to the Reservation and the surrounding area. The need for replacement infrastructure is needed due to the poor condition of the facility and the community's reliance on the services it provides. The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Thank you for your consideration of this important matter.

Sincerely,

JOHN MOOLENAAR  
Member of Congress
